

PCHS Athletic Booster Club Meeting

June 1, 2009

PCHS Cafeteria

Attendees: Ken Berry, Sean Welsh, Mari Kelly, John Lavender, Vicki Lavender, Norma Young, Trish Kane, Ted Branoff, Darlene Branoff, Dianne Crawford, Suzanne Bouton.

Meeting started at 7:02 pm.

-----

Ken: Still need President. Recap we reached goal of \$150,000. 2009-2010 \$150,000 running and plus.

Need to possibly fill merchandise committee.

Following positions are filled:

Website: John Lavender

Membership: Trish Kane

Fundraising: Suzanne Bouton

Corporate Sponsorship: David Guy

Concessions: Fall-Ken Berry

Discussed what worked well with concessions this year. Ken would like to have 1 person in charge for concession for each season. He will head the fall, would like for someone to cover winter and spring.

-----

Todd: Planning to go over 2008-2009 budget with each coach, and set their 2009-2010 budget.

Todd will encourage coaches to delay BIG ticket items. Todd would like the student athletic passes to have their picture on them to prevent passing of cards for others to use. Silent auction was a success, look at next year moving off campus, possible golf outing to raise money.

Try-outs start Aug 1, 2009 for football; all other sports start Aug 3, 2009. We may possibly have a Pre-Season Kick-off. Next season we will be the TRI-9 due to Holly Springs joining the conference. No change in gate prices.

Communication is still an issue. Will hold a coaching mark training class for Parent Team Reps. This is a good tool to use to send e-mails and get people involved, while keeping team information up to date.

-----

Ted: Discussed the website and the number of hits during the month. Photo gallery is a hit.

-----

Ken closed the meeting with comments about the rewards of being a member of the boosters.

-----

Next meeting was scheduled for July 6, 09 then changed to July 13, 09 due to the holiday

Meeting ended at 8:43 pm.
