

Athletic Eligibility

Panther Creek High School strictly adheres to North Carolina High School Athletic Association (NCHSAA) eligibility rules and regulations. To be eligible to participate in athletics, students must meet certain requirements. There are so many eligibility rules, it is impossible to list them all here. Some of the most important ones are:

*You must submit a Wake County Athletic Participation form and Panther Creek Critical Contact Information form prior to trying out, practicing or playing any sport. These forms only need to be completed once and both are valid for 365 days.

*You must pass at least three out of four subjects EACH SEMESTER in order to play a sport the next semester.

*You must meet the promotion standards to go from one grade to the next each year.

*You must have a cumulative GPA of at least 1.5. Appeals can be made if a student maintained a 2.0 GPA in the most recent semester and the student meets the attendance requirements.

*You must have attended school at least 85% of the days of the past semester to participate during the present semester. Appeals for a waiver can be made in special medical cases. See your coach for details.

*You must be in attendance at school all day to play or practice that day, with the exception of doctor's visits or other activities approved by the principal.

*You must live with a parent or legal custodian and be assigned to Panther Creek.

*From the time you enter ninth grade for the first time, you get the next eight consecutive semesters to play high school sports.

*You cannot play sports in any high school in NC if you are 19 or older as of Oct. 16th of the academic year.

*You cannot participate if you have been convicted of a felony OR are an adjudicated delinquent for an offense that would be a felony if committed by an adult.

Students or parents with questions about the eligibility rules should contact a coach or athletic director Todd Schuler.
